9. AIDS Report
10. Notarized Non-Criminal Record
11. Physical Check(With stamp and signature)
12. Other documents that the university may need

### Available Majors

Bachelor in Chinese Language			
Law	Sociology	Administrative Management	Accounting
Marketing	Business Administration	Economics	Agricultural and Forestry Economic Management
Logistics Management	Mathematics and Applied Mathematics	Information and Computational Science	Applied Statistics

Electronic and Information Engineering	Electric Engineering and Automation	Communication Engineering	Physics(Applied Physics)
New Energy Materials and Devices	Software Engineering	Computer Science and Technology	Networking Engineering
Materials Chemistry	Chemistry(Analysis and Test)	Chemical Engineering and Technology	Applied Chemistry
Pharmaceutical Engineering	Biological Science	Biotechnology	Pratacultural Science
Animal Science	Veterinary Medicine	Agricultural Resource and Environment	Landscape Gardening
Forestry	Horticulture	Agronomy	Plant Protection
Environmental Science	Geographic Information Science	Human Geography and Urban Rural Planning	Viticulture and Enology Engineering
Food Science and Engineering	Mechanical Engineering	Process Equipment and Control Engineering	Transportation
Road Bridge and River-crossing Engineering	Engineering Management	Architecture	Urban and Rural Planning
Agricultural Water Conservancy Engineering	Hydraulic and Hydropower Engineering	Civil Engineering	Educational technology
Applied Psychology	Chinese Language Literature	Tourism Management	
<b>Master Degree in Chinese Language</b>			
Philosophy	Law	Ethnology	Theoretical Economics
Business Administration	Agricultural and Forestry Economics Management	Accounting	Anthropology
Ethnosociology	Chinese Language and Literature	Chinese History	Pedagogy
Psychology	Education Technology	Mathematics	Physics
Mechanics	Electronic Science and Technology	Chemistry	Geography
Biology	Ecology	Civil Engineering	Hydraulic Engineering
Mechanical Engineering	Machinery	Crop Science	Horticulture
Agricultural Resource and Environment	Agricultural Entomology and Pest Control	Animal Husbandry	Veterinary Medicine
Grassology	Computer Science and Technology	Chemical Engineering and Technology	Materials and Chemical Industry

Food Science and Engineering			
<b>PhD degree in Chinese</b>			
Ethnology	Public Management in Ethnic Areas	Chinese Minority Economy	Ethnosociology
Language Literature and Document in Northwest Ethnic Areas	Ethnic Psychology and Ethnic Education	Ethnic Minorities in China	Numerical Mathematics
Applied Mathematics	Water Conservancy and Civil Engineering and Computational Science	Water Resources Utilization and Chemical Engineering	Biology
Hydrology and Water Resources	Hydraulic Structure Engineering	Hydraulic and Hydropower Engineering	Animal Husbandry
Grassology
